Subject: Reference letter for Mr. Dimitar Hadzhiyski

Br.: E-9/2021

Dear Sir/Madam,

It is my pleasure to provide this reference letter for Mr. Dimitar Hadzhiyski whom I met in the course of my work, first, as a Liaison Prosecutor between the Republic of Croatia and EUROJUST and later on - after the accession of Croatia to the EU - in my capacity of the first National Member for Croatia at EUROJUST. Since September 2009 I have been actively participating in the work of EUROJUST within the framework of the competences of a Liaison Prosecutors and of a National Member.

I have the pleasure of working closely with Public Prosecutor Dimitar Hadzhiyski, for more than 10 years in a very trustful and effective way.

During the cooperation with other European Union Member States, I have also worked on a case involving the execution of a Mutual Legal Assistance request (Letter Rogatory), sent to the competent judicial authorities of the Republic of Bulgaria, with regards to a complex criminal investigation in the Republic of Croatia.

It was on that occasion that I met prosecutor Dimitar Hadzhiyski who was at that time Seconded National Expert to the Bulgarian Desk at Eurojust and an Assistant to the National Member of Bulgaria. Afterwards I had the opportunity to cooperate with him during a longer period of time and on a number of serious criminal cases. We immediately established excellent professional cooperation. I was especially impressed by the fact that Mr. Hadzhiyski invested a lot of efforts to familiarise himself with the peculiarities of the Croatian legal system, so as to better understand the real needs of the requesting Croatian judicial authority in order for appropriate measures in the execution of Letter Rogatory to be conducted.

Based on my direct interactions with Mr. Hadzhiyski for a period of more than 10 years now, it is my opinion that he is an excellent expert who is very well educated and a person who approaches his work with great interest and professionalism. He also invests a lot of time and efforts into his professional activities. Furthermore, in my opinion, he possesses remarkable personal and professional qualities for both independent and team work.

As Vice - President of The International Association of Prosecutors /IAP/ I have first-hand knowledge how Dimitar Hadzhiyski engages in the work of IAP, as well as in the international activities of the Association of Prosecutors of Bulgaria. He has been a dedicated member of the IAP since 2012 in which he has shown his skills and enthusiasm for international relations. For many years he is the link between the IAP and its organizational member from Bulgaria – the Association of Prosecutors of Bulgaria. Later on, in 2017 he established the connection between the IAP and the Bulgarian Prosecutor General's Office and fostered good relations, which resulted in the organizational membership of the Public Prosecutors' office of Bulgaria in the IAP in 2018.

Mr. Hadzhiyski has been a strong support in strengthening the cooperation between Bulgaria and the IAP and has successfully managed to combine his professional obligations as a prosecutor, with his work within the association.

Public Prosecutor Dimitar Hadzhiyski is a very well respected and liked colleague who has proven himself to be an excellent Prosecutor solving effectively and efficiently problems in the realm of international judicial cooperation. He is an excellent ambassador for the Bulgarian Prosecution Service and the Bulgarian Judicial System.

Once more I would like to confirm my support for Mr. Hadzhiyski's application for the position European Delegated Prosecutor for Bulgaria.

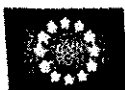

Sincerely yours,

Subject: Letter of recommendation – Mr. Dimitar Hadzhiyski

Dear Sir/Madam,

It is my pleasure to write this letter of recommendation for Mr. Dimitar Hadzhiyski, a public prosecutor in Bulgaria, as well as Assistant to the National Member of Bulgaria for Eurojust, whom I first met in a professional capacity during the international event "*Euro South East Conference*". This conference gathered all major European experts in fighting euro counterfeiting and took place in Budapest from 21 to 25 October 2012. During this event prosecutor Hadzhiyski delivered a very interesting presentation regarding international legal cooperation, combating serious trans-border crime, the role of Eurojust and the practical application of Joint Investigation Teams (JITs) and we both co-chaired the judicial workshop with the participation of all prosecutors present at the conference.

After the Conference prosecutor Hadzhiyski and I continued our fruitful collaboration in further initiatives. With his legal expertise and professional knowledge in EU criminal justice he has supported many activities of the European Commission in the context of Pericles and Pericles 2020 programme, such as expert missions to Bulgaria (2013 and 2019), Croatia (2014, Mar 2016, Oct 2016, 2018), Montenegro (2014 and 2017), Italy (2016), Romania (2018) and Serbia (2018).

His role was to provide legal expertise, support and training to prosecutors, law enforcement authorities, customs, central banks and other involved stakeholders, as well as EU institutions, such as EUROPOL, European Central Bank, OLAF.

One of the major projects that we jointly worked on was the organisation of the Pericles training "*Strengthening the protection of the euro in the Black Sea*" that took place in Sofia on 08-10 October 2013. This seminar was jointly organized by OLAF and the Public

Prosecutor's Office of Bulgaria and involved prosecutors, police officers, customs representatives and banking staff from 14 countries in South-East Europe, as well as officials from OLAF, Europol, Eurojust and the European Central Bank. Also in this occasion, I was particularly impressed by the prompt and effective support provided by Mr. Hadzhiyski: his efficient communication skills, excellent organizational and interpersonal qualities strongly contributed to the success of the conference. In addition, he also delivered a presentation on the role of Eurojust and the measures against the euro counterfeiting.

In 2018 prosecutor Hadzhiyski facilitated the contact between the European Commission, Directorate-General for Economic and Financial Affairs and the Bulgarian Prosecutor General's Office that resulted in the notification of the Public Prosecutors' office of Bulgaria in 2019 as a competent national authority regarding Council Regulation (EC) No 1338/2001 of 28 June 2001 laying down measures necessary for the protection of the euro against counterfeiting.

As a result, currently the Public Prosecutors' office of Bulgaria organizes with the financial support of the European Commission an international conference on the topic, that is to be held in Sofia in the near future.

On the basis of my direct experience, I am convinced that Mr Hadzhiyski is a very proactive and reliable colleague who approaches his work with great professionalism and interest. He has an in-depth knowledge and experience in the field of mutual legal assistance in criminal matters, as well as he is very much acquainted with the topic of judicial cooperation in euro counterfeiting cases. He has solid and long-lasting experience in working in multi-cultural environment, as well as an in-depth knowledge and understanding of the particularities and specifics of performing his duties in an Agency of the European Union.

In addition to his professional qualities, he is an optimistic and enthusiastic colleague, who is always supportive, result driven and stress resistant. This interesting combination makes him interact easily and successfully with all colleagues and deliver work of great value, therefore I recommend him as a valuable and dedicated colleague.

I am convinced that due to his strong leadership qualities, solid professional background in the field of international legal cooperation, expertise in the area of criminal justice at EU level, as well as his commitment to work and result-oriented approach will make him a strong and successful candidate for the position European Delegated Prosecutor for Bulgaria.

Yours sincerely,

Luca PIERINI
