Sotir Tsatsarov
1, Vitosha Str.
Sofia**

Dear Mr Tsatsarov,

On behalf of the EU-funded project Promotion of the Rule of Law in the Kyrgyz Republic, I would like to thank the Prosecutor General's Office of the Republic of Bulgaria and you personally for the responsiveness, flexibility and support in organizing a training on Anti-corruption in Bishkek.

The training in which one of the leading trainers was Ms Mihaela Raidovska from the anti-corruption Unit of Sofia City prosecutor's office, took place in May 2017 and was very much appreciated by our partners - prosecutors. Ms Raidovska demonstrated professionalism and competence during the training where she cooperated successfully with Mr Eric Plantier, a magistrate from France, and with three trainers from the GPO of Kyrgyzstan. She also kindly agreed to give a lecture to law students from the Kyrgyz Legal State Academy. The lecture was organized by our main partner the Ministry of Justice and was extremely well met by the students, the academicians present, and the MoJ partners.

I would also like to thank Mr Sava Petrov, Ms Katya Janakieva, Ms Simona Lazarova and Ms Malina Aleksandrova, for making this cooperation event possible. I am convinced that it is another important step in the newly established cooperation between the GPOs of Bulgaria and Kyrgyzstan and I would like to assure you, Mr Prosecutor General, that our project remains available to support this cooperation in the future.

Sincerely,
