

Court operation in conditions of the war

February 7, 2023

15:30 – 17:30 Kyiv time / 8:30 – 10:30 am EST

We are glad to invite you to the online conference on Court Operation in Conditions of the War, organized by the State Judicial Administration of Ukraine and the International Association of Court Administration (IACA), with the support of the EU Project Pravo-Justice and USAID Justice for All Activity.

The event will encourage discussion and solution finding for pressing war-time court administration issues, considering the best international experiences. During the conference will be presented a plan to improve judicial administration of war crimes cases and the book "Courts in Conditions of War". You will also learn about the "Model Court Initiative – Platform for Good Practices", and "Strategies for optimizing court budgets during wartime".
