Low and/or Medium Risk Non-Family Mission

The European Union Mission in Georgia (EUMM Georgia) bears a Low and Medium Risk Non-Family Mission status. As such, the Mission takes no responsibility for family members of mission members visiting or habitually residing in the country. Only international mission members are covered by the Mission status (SOMA), MEDEVAC or security/evacuation arrangements and use of Mission assets including vehicles. All costs for family members in the Mission area, including insurance, are the respective staff member responsibility. Subject to deterioration of the security situation and possible evolution of the SIAC risk rating, the Head of Mission will propose, in consultation with the EEAS Security Department, to the Civilian Operation Commander, to take measures to change the application of the Low and/or Medium Risk Non-Family status into High Risk Non-Family status.

Seconded personnel – For seconded positions, only personnel nominations received through official channels from EU Member States will be considered. EU Member States will bear all personnel-related costs for seconded personnel, including salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).
