Low and/or Medium Risk Non-Family Mission

The European Union Partnership Mission in Moldova (EUPM Moldova) bears a Low and Medium Risk Non-Family Mission status. As such, the Mission takes no responsibility for family members of mission members visiting or habitually residing in the country. Only international mission members are covered by the Mission status (SOMA), MEDEVAC or security/evacuation arrangements and use of Mission assets including vehicles. All costs for family members in the Mission area, including insurance, are the respective staff member responsibility. Subject to deterioration of the security situation and possible evolution of the SIAC risk rating, the Head of Mission will propose, in consultation with the EEAS Security Department, to the Civilian Operation Commander, to take measures to change the application of the Low and/or Medium Risk Non-Family status into High Risk Non-Family status.

Seconded personnel

For seconded positions, only personnel nominations received through official channels from EU Member States and Invited Third States (Contributing States) will be considered.

The Mission shall cover the Visiting Experts (VE) travel costs to and from the place of deployment and for any duty travel while on deployment.

Contributing States and EU Agencies will bear all personnel-related costs for seconded VE, e.g. salaries and medical coverage (with the exception of the High-Risk insurance), and allowances other than those paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).

Due to the non-permanent nature of VE assignments to Missions, specific provisions may apply with regard to their status, entitlements (e.g. leave days), rights and obligations and security.

Tour of duty/contract period

The duration of the deployment is indicated in the respective job description, respectively for an initial period of up to 3 months with a possible extension for another 3 months, according to the planned schedule.
